FINDING THE UNFINDABLE

with

William Petree
The Just One Agency
Private Investigations

Lost beneficiary? Lost documents? Lost assets? William Petree, Private Investigator and Owner of The Just One Agency, will provide attendees with an investigator's perspective on how to find the unfindable. Using real-life scenarios, the speaker will provide a wealth of useful information and sources, both criminal and civil, which is available to us (if we know where to find them).

The speaker would like questions, issues, or scenarios in advance. Please email them to Greg Broiles at greg@broileslaw.com or call (408) 834-8511 by May 31.
